

MINISTRY OF EDUCATION AND
VOCATIONAL TRAINING
MONDULI DISTRICT COUNCIL
MAKUYUNI PRIMARY SCHOOL
*CERTIFICATE OF
APPRECIATION TO THE
CHIEF DIRECTOR OF
TANDIA GROUP*

The committee and community of Makuyuni Primary School express Kindly I thanks to the chief director of TANDIA group for their contributions which made enable Makuyuni

primary school to get access to water from Makuyuni Parish free of charge.

Since water is among essential need for human consumption it will be useful to both teacher's and pupil's of Makuyuni Primary School.

It will help in promoting and improving the quality performance to the students since they won't walk for distance further more to look after places to fetch water for domestic activities. Hence it will give time for them to have enough time to study.

Moreover having access to safe water I will prevent an or minimize the possibility of eruption and spread of diseases like diarrhea.

The accessibility of water will also help to make the classrooms office and wash room become clean and heat and thus we will have good and conducive teaching and learning environment.

We therefore appreciate a good job done by TANDIA group for the establishment of this project.

Thank you very much.
